Defendant: Montae Jacobs, in person, and by Attorney Eric Hart

Parties unable to reach agreement on communication issue.

Government cites authority for court to issue an order.

Defense indicates there is no statutory authority for order.

Defendant makes statement.

Court indicates it could make a recommendation to the warden, probably has inherent authority to issue an order, takes the issue under advisement today. Court advises defendant to stop these communications

Government notes he may be committing additional federal offenses.

Court sets case for FPT on 8/3/23 @ 10:30, JT on 8/14/23 @ 8:30, and makes speedy trial finding.
